

Titanium

David Guetta (feat. Sia)

You shout it out
But I can't hear a word you say
I'm talking loud, not saying much
I'm criticized
But all your bullets ricochet
You shoot me down, but I get up

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium

Cut me down
But it's you who'll have further to fall
Ghost town and haunted love
Raise your voice
Sticks and stones may break my bones
Talking loud, not saying much

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium

I am titanium
I am titanium

Stone heart, machine gun
Fired at the ones who run
Stone heart as bulletproof glass

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium

I am titanium
